

Dr. SHENDAGE VISHWAJEET JAGANNATH

Animal Nutritionist

TASGAON, Dist- SANGLI, Maharashtra, Pin – 416312

☎ +91 7620097379 | ✉ shendagevishwjit@gmail.com

Personal Statement

Detail-oriented individual with exceptional knowledge of Animal Nutrition in designing and implementing nutritional programs that optimize animal health, growth, and productivity. Passionate about teaching and delivering science-backed solutions that enhance animal well-being and sustainability. A hardworking, highly motivated, and resourceful professional who adapts well to any working environment. Results-driven with a passion for academic growth, efficiency, and delivering knowledge to meet institutional needs. Possesses excellent communication, interpersonal, and creative thinking skills, and is efficient in knowledge delivery. Frequently praised as hard-working by peers, I can be relied upon to help your institute achieve its goals.

Skills

- Ration formulation[?] for different species of animals (Poultry, Ruminants, Swine, Companion Animals)
- Good presentation skills
- Nutritional counselling
- Nutrient analysis and evaluation
- Time management, planning, coordination, and team building
- Laboratory testing and analysis
- Problem solving and analytical thinking [?]
- Data analysis and interpretation
- Proficient in MS Office and feed formulation software – [?]

Education

S.No	Education	Percentage	Institution
1	SSC	91.80	Br. T. K. Shendage Vidyalaya, Ped
2	Intermediate	78.15	Lingade Patil Junior College, Karad
3	B.V.Sc	76.99	College of Veterinary & Animal Sciences, Udgir, Maharashtra
4	M.V.Sc (Animal Nutrition)	82.98	ICAR-NIANP, Bengaluru Hub, IVRI

Projects

Thesis: "Efficacy of In Ovo Probiotics and Post Hatch Dietary Postbiotics Supplementation on Broiler Chicken Performance"

- Studied the effect of in ovo probiotics supplementation on early gut microbial population and broiler chicken performance.
- Evaluated the effect of dietary postbiotics supplementation and its interaction on long-term gut microbial population and broiler chicken performance.

Membership

Registered Veterinary Practitioner, Maharashtra State Veterinary Council (Reg. No. 02105/2023)

Languages

- English (Fluent)
- Marathi (Fluent)
- Hindi (Fluent)

Conferences Attended

- WVPA (World Veterinary Poultry Association) Conference 2024 – "Avian Health: Challenges and Opportunities"
- WANACON (World Animal Nutrition Conference) 2025 – "Newer Vistas to Animal Nutrition Research Towards Climate Resilient Animal Production for Livelihood, Food and Nutritional Security"

Achievements & Awards

- ICAR- AIEEE PG entrance exam 2023 - AIR 4 (Junior Research Fellow)

- National Symposium on Challenges & Prospects for Mitigating Enteric Methane Emissions from Indian Livestock – Participation Certificate
- Waste to Art Preparation – Swachhata Hi Seva 2024, ICAR-NIANP, Bengaluru (Participation Certificate)
- Street Play – Swachhata Hi Seva 2024, ICAR-NIANP, Bengaluru (Participation Certificate)
- Brainstorming Series on Nanotechnology: Animal Production and Health – Participation Certificate

Hobbies

- Playing Cricket
- Travel and Cultural Exploration
