

# Ashutosh Nagorao Mahalle

Gurudatta Nagar, Dabki Road, Akola, Maharashtra-444002 | 7397905635 | ashutoshmahalle13@gmail.com

As an Animal Nutritionist, I'd like to contribute to improving livestock productivity and sustainability by applying my knowledge in teaching, and practical nutrition management.

## EDUCATION

<b>National Dairy Research Institute, Karnal</b> Master of Veterinary Science in Animal Nutrition	<b>2023-2025</b> <b>8.05 CGPA</b>
<b>Nagpur Veterinary College, Nagpur</b> Bachelor of Veterinary Science	<b>2018-2023</b> <b>8.12 CGPA</b>
<b>Shri R.L.T. College of Science, Akola, Maharashtra</b> Higher Secondary Certificate (12th)	<b>2016-2017</b> <b>86.31%</b>
<b>Bhikamchand Khandelwal Vidyalaya, Akola, Maharashtra</b> Secondary School Certificate (10th)	<b>2014-2015</b> <b>92.80%</b>

## PROJECTS

**Impact of Conch Shell Powder Supplementation on Growth, Nutrient Availability and Mineral Status In Male Black Bengal Kids**    **Dec 2024-Aug2025**

**National Dairy Research Institute, ERS-Kalyani, West Bengal**

- Evaluated the effect of conch shell powder supplementation on growth performance of Black Bengal Kids.
- Assessed nutrient digestibility and bioavailability in supplemented diets.
- Monitored mineral status of various biological samples.

## TECHNICAL SKILLS

### Laboratory and Analytical Skills:

- Proximate composition analysis
- Fiber fraction estimation
- Mineral estimation (AAS)
- Spectrophotometric assays
- Sequential solubility analysis
- Operation of lab instruments
- Scientific writing (Research papers & Thesis)

### Feed formulation and Evaluation:

Ration formulation (Manual)  
Evaluation of feed composition  
Balancing Ration for different physiological states  
Cost-effective diet planning

- **Mineral Nutrition and Bioavailability assessment**
- **Animal Growth and Performance assessment**
- **Communication, Presentation and teaching skills**
- **Microsoft Office Suite:**  
Word, Excel, PowerPoint.

## **AREAS OF INTEREST**

---

- **Ruminant Nutrition and Feed Technology**
- **Mineral Nutrition**
- **Feed Formulation and Evaluation**
- **Nutrient Fortification and Supplementation Strategies**

## **ACHIEVEMENTS AND AWARDS**

---

- AIEEA-PG 2023 Qualified (AIR-16)

## **LANGUAGES**

---

- English, Hindi and Marathi

## **REFERENCE**

---

- Dr. Anupam Chatterjee – National Dairy Research Institute, ERS- Kalyani, West Bengal.

Principal Scientist

[anuchatterjee@gmail.com](mailto:anuchatterjee@gmail.com)

## **DECLARATION**

---

I confirm that the information above is accurate and complete to the best of my knowledge and belief, and I assume full responsibility for its accuracy and completeness.
